CIRCULAR TO MUNICIPAL CLERKS.

TORONTO, June 1st, 1906.

**Please compare the entries with statistics of previous years.** If any great difference from last year's figures occur, please give explanation and avoid correspondence. If necessary, please revise the additions of the assessor. A frequent source of error lies in the recapitulation of the rolls. If the assessor has neglected to take all the items, I shall be obliged if you will give as fair estimates as you can of the omissions, and direct the attention of the assessor to the necessity of a complete assessment.

Two copies of schedule are furnished, one of which is to be filled up and returned in the enclosed envelope. The other may be filled up by the clerk and kept for future reference.

✎ To insure safe delivery of municipal returns the Statute has been amended by the addition of the following words: "and every such return shall be transmitted by mail in a registered package."
